PREAMBLE

American Youth Football (AYF) is a support service organization that provides guidelines, suggestions and best practices for its local member organizations to consider, implement and enforce. AYF does not have operational control over local matters but exerts limited operational control over regional and national championships. Due to the expansive reach and local nature of youth sports, AYF is not able to ensure compliance with the guidelines, suggestions, rules and best practices it recommends to its local members. Parents, players, our members and their respective administrators, staff, participants, and stakeholders should conduct their own inquiries to ensure that local teams/associations/conferences are operating in accordance with local/state/federal laws, governing body standards, and appropriate standards of care, including but not limited to the guidelines and best practices recommended by AYF, in addition to specific personal concerns you may have related to your child and or ward's participation in our member organizations' youth football and cheer, step and dance programs.

RULES - DISTINCTIONS

This Model Rule Book ("Rule Book") is provided to AYF members as a resource that may be used in connection with the operation of their organization. Within this Rule Book are model rules, competition eligibility requirements, recommendations guidelines and best practices. This Rule Book is not all-inclusive and should be used in conjunction with other external resources, meaning resources which are beyond what is provided to you by American Youth Football. AYF recommends that its members individually and collectively actively seek resources from governmental entities such as the U.S. Centers for disease control, relating to health and safety, including but not limited to dehydration, concussions and other medical related items, as well as non-governmental entities, including but not limited to medical boards, such as the American Academy of Pediatrics. Members should seek information and be conscious of weather, including heat and electrical storms and the best practices relating to how, when and or when not to conduct practices or conduct games subject to your local weather as well as manuals, relating to properly fitting equipment, when equipment requires service, reconditioning and or replacement. Member organizations should adopt a variety of policies, including but not limited to risk management, return to play, background check, anti-bullying, document collection and storage as well as ensuring that coaches are properly trained and are aware of proper coaching and tackling techniques.

Recommendations, suggestions and best practices in addition to reasonable standards of care and industry norms are important, they protect your participants, our community and the game of football and as such it is reasonable to expect that local member organizations should seek to ensure reasonable compliance with the aforementioned.

ELIGIBILITY REQUIREMENTS

This Rule Book includes a comprehensive list of Eligibility Requirements; Eligibility Requirements are a list of requirements established by AYF to ensure fairness and a level competitive playing field among those teams that intend to participate in AYF inter-mural competitions, specifically AYF Regional tournaments and the American Youth Football National Championships. AYF, in its sole discretion, shall declare ineligible any team, coach, player and or league from participating in any AYF Regional or National tournaments, based on a reasonable suspicion, finding and or a determination, by AYF, that a team, coach, participant and or league has violated and or conspired to violate one or more of the Eligibility Requirements.

For clarity, during the pre-season and during the playing season, AYF does not affirmatively enforce any rules or Eligibility Requirements, instead if an Eligibility Requirement is violated at any time during the pre-season or playing season, upon discovery of the violation, the violating party shall, unless otherwise determined by AYF, be declared ineligible to compete in the Regional and National Championship Tournaments.

BULLETINS

From time to time during the playing and or off-season, AYF may introduce and or remove, revise and or redact rules, guidelines, recommendations and or positions on best practices. These changes will be made in the form of bulletins, which may be distributed and or posted on AYF website(s). Bulletins will be reviewed and may be

discussed, after publication at the next annual AYF leadership meeting for consideration and discussion before being added to the Rule book.

- Emphasis on learning, playing, and enjoying the sport while instilling high moral standards by stressing the importance of academic achievement and community involvement.

E: AYF National All-Star Game (See End Of Rulebook)

American Youth Football strongly supports school football programs and will encourage all participants to join their local school team over any youth league.

1) Definition of “Max Stripped Weight”

The participants weight wearing Gym Shorts and a T-Shirt as the minimum clothing.

2) Definition of “Max Dressed Weight”

The participants weight wearing (uniform allowance) Football Cleats, Game Sox, Football Pants with Pads, and Game Jersey as the minimum clothing. No Clothing, Padding, Cleats etc. can be exchanged once the weigh-in has been conducted.

If your participant is so close to the weight that you are concerned about the thickness of the participant's socks, then your participant is on the wrong team level. Understand that the participants will not be allowed to play if they do not make weight. If this becomes a big issue in your Association, consider the All-American Division where it is a grade-based, age-protected system.

For determining the Participant's age (Protected Age), the term "on or before" and the term "as of" is intended to have the same definition (age cutoff date):

NATIONAL DIVISION & ALL AMERICAN DIVISION AGE CUT-OFFS

An age cutoff date of (on or before/as of 7/31) July 31st of the current season is as follows: ie: 14 yrs old on July 31st, turns 15 yrs old on August 1st the participant plays as a 14 yr old.

Associations and Conferences may alter the weights in any of the weighted divisions/teams to a weight less than BUT NOT more than the listed maximum weight to accommodate any special condition that may exist in your local organization such as the desire to allow for in season growth.

No other alterations to the above listed divisions are allowed without the prior written consent of the National Office. An official AYF Waiver Request Form can be found at MyAyf.com.

F. Spring Football / Summer Passing Leagues. American Youth Football (AYF) acknowledges Spring Football and Summer Passing Leagues. AYF recommends that any Conference, Association, Team participating in Spring Football and Summer Passing Leagues do so by following the format established by their local High School or State High School Athletic Governing Board.

Great care should be taken to not interfere with other Spring and Summer sports such as Baseball, Lacrosse and family vacations. American Youth Football requires that NO pressure be placed on individuals to participate. Coaches who "require" or in any way manipulate Fall participants to join or participate in any way, or coaches who do not plan and allow for participation in other sports and family vacations, should be immediately suspended from coaching any team during the regular (Fall) season. Conferences are required to monitor any Spring or Summer events. Outlines and ideas for Spring Football and Summer Passing Leagues can be found at MyAyf.com.

G: Division I and Division II. The AYF National & All American Divisions both offer Division I ("DI") and Division II ("DII") level of play.

D2 Champions will be reviewed by AYF Staff on future return at this division.

Conferences Declaring for D2 Status

All conferences interested in offering D2 designations for All American or National Division play at the AYF Regional and National Tournament must fill out a *D2 Status Request* Form which will include the conferences method for declaring and submit to the applicable Region Chairman by 8/1 of the current season, who will then forward to the AYF National Football Commissioner who will approve or deny the request in writing by 8/15 of the current season.

3 Acceptable Methods For D2 Status

1. Pre-season D2 Only Designation prior to playing a regular season game. This designation must specify reasons why the conference is asking to be D2 (*including geographic reasons, competition reasons, and past performance history in the AYF Regional and National Tournament*)

2. Pre-season D1/D2 Conference split designation. (example : a conference has 16 associations and splits the conference into D1 and D2 divisions who have a separate season and playoffs after they are completed the D1 and D2 champions advance to the AYF Regional and/or National Tournament)

3. Post Season Designation. (a conference has a MINIMUM of 8 teams and has a post season after the regular season is completed, they use the records of the 8 or more teams to determine D1 and D2 for the playoffs, Teams 1-4 play D1 playoffs, Teams 5-8 play D2 playoffs then the D1 and D2 champions advance to the AYF Regional and/or National Tournament.

*****IF THE CONFERENCE HAS LESS THAN 8 TEAMS IN A DIVISION THEY CAN APPLY FOR AN EXCEPTION IN WRITING TO THE NATIONAL FOOTBALL COMMISSIONER BY 8/1 of the current season. THE EXCEPTION IS ONLY FOR CONFERENCES THAT HAVE LESS THAN 8 BUT NO LESS THAN 6 TEAMS IN A DIVISION. THE METHOD FOR 7 TEAMS WILL BE 1-4 D1 AND 5-7 D2. THE METHOD FOR 6 TEAMS WILL BE 1-3 D1 and 4-6 D2.**

H. Inspiration Division (Formerly known as Contender Division). The AYF Inspiration Division enables youth with either cognitive or physical disabilities to participate in football and cheer. The Inspiration Division is further explained in the Official AYF/AYC Contender Rulebook.

I. Flag Division. AYF has established model rules and regulations for flag football. These can be found at MyAyf.com. It is a good, economical move because the cost is minimal and no padding is needed or allowed. One of the best benefits is that you keep the kids in your program and eventually they may move into your tackle program. All the football skills are available in flag and touch football; the only exception is that there is no contact.

J. Tiny Mite/Mitey Mite Division. AYF has established some guidelines for the Tiny Mite and Mitey Mite divisions.

"To make a man, you must first build a boy". – Tiger Ellison

SECTION 6 - WEIGH-IN RULES.

The following section is applicable only to Tiny Mite, Mitey Mite and National Divisions.

The age and weight restrictions contained in Section 5 of this Rulebook, shall be strictly enforced.. Anyone who is determined to be over the maximum weight limit listed herein will not be allowed to participate in any Local, Regional or National game or event.

If a participant within your program is determined to be over the maximum weight limit at the National Tournament they will not be allowed to participate. You are hereby obligated to inform all that there will be no exceptions, no travel refunds, and no appeals of the weigh masters decision.

Associations, Conferences, and Regions must adopt and agree on weigh-in rules and procedures but must meet the following minimum requirements.

1. Weigh-ins **MUST** be conducted prior to each game. Weigh-ins are with the required equipment and equipment allowance.
2. When Pre-Season practice begins, all players must be weighed to insure proper team placement. Parents **MUST** be informed of the possibility of the participant not being allowed to play if they do not make weight prior to each game.

3. When Pre-Season practice begins, any participant found to be ten or more pounds above the Max Stripped Weight for their specified team level, at the Pre-Season, or In-Season weigh-in, must move up a level prior to the roster certification cutoff date, or be dropped if no All-American Division exists. No child may practice or remain on a team if they are 10 or more pounds over the Max Stripped Weight.
4. Any "Sweat Down" or Extreme" weight loss used by a player to make weight will be grounds for immediate suspension.
5. Any Coach, Administrator or Team Personnel found to have advised, encouraged, or tolerated any "Sweat Down" or "Extreme" weight loss techniques will be grounds for immediate suspension. Suspension will be anywhere from one year to permanent depending on the severity. Head Coaches will be held responsible for the actions and/or inactions of all team personnel.
6. The only two acceptable methods of verifying a participants weight are as follows:
 - a. Maximum Stripped Weight – Player steps on scale wearing at a minimum gym shorts and a tee shirt. (Pre-Season Only)
 - b. Maximum Dressed Weight – Player steps on scale wearing football cleats, game socks, football pants with pads, game jersey as the minimum clothing. No clothing, padding, or cleats can be exchanged once the weigh-in has been conducted.
7. Any Participant that exceeds the maximum weight for his registered team must not be allowed to play in that week's game.
8. Conferences/Regions can adopt their own weigh-in procedures as far as who conducts the weigh-in but must allow at least one member from each coaching staff to attend/witness. AYF recommends that each head coach be present as they will be held responsible should any weigh-in rules be violated.
9. The Team Books including participant picture, documents, and MPR form, must be available to the weigh-in officials for player verification.
10. No player jersey numbers can be changed once the official weigh-in has been completed.
11. No two players may have the same jersey number under any circumstances.

SECTION 7 - INSURANCE REQUIREMENT

All teams must furnish proof of General Liability and Accident Insurance. The required coverage can be seen at MyAyf.com. "Additionally, American Youth Football, Inc. 1000 South Pointe Drive TH-9, Miami, FL. 33139, must be named as an additional insured. All members, not covered under the AYF endorsed insurance policy are required to deliver (mail or email) to AYF a certificate of insurance prior to conducting ANY practice or games.

ALL CONFERENCES/ ASSOCIATIONS/TEAMS/SQUADS must provide this documentation, no exceptions. Any team or squad participating in the Regional or National venues will not be allowed to take the field or stage until acceptable proof of insurance is provided".

THE MINIMUM GENERAL LIABILITY AND ACCIDENT INSURANCE COVERAGE IS:

The minimum Accident is \$100,000
The minimum General Liability is \$1,000,000

For more information on the AYF-endorsed insurance plan, please visit MyAyf.com.

SECTION 8 - FORMATION OF TEAMS

*"We all start out as children. It's a good way to start.
But only the wisest and luckiest few hold on to a Child's heart" – Unknown*

The formation of teams is done on a first come, first serve, and participation policy basis. AYF does allow registration/sign-up for "veteran (returning) players" prior to "open" registration/sign-up. Each child must be afforded the opportunity to be taught the game of football regardless of its ability. AYF does not form "Select" teams. In other words, you cannot select or recruit only the best athletes for your team. Tryouts of any kind can only be done to determine what team level the participant will be placed on and to ensure that all teams are created equally and have similarly competitive skill levels. Cutting of players is not allowed in AYF; however, there are certain guidelines that should be met if it becomes necessary to not assign a player to a team. AYF strongly recommends that the coaching staff work closely with these players before the extreme measure of dropping a player take place. AYF believes that the game of football may just be a saving grace for this type of participant.

A) When Dropping a player will be acceptable:

1. When a participant is found to have signed up as a result of parent or guardian pressure, or, he/she tells team management he/she does not really want to play football/cheer.
2. When a participant cannot furnish the required documents to be certified to a team roster, (e.g., Medical, Proof of Birth Date, etc.).
3. When a Participant shows no interest in football/cheer, is disruptive to other participants and the instructions of the coaching staff, and becomes a discipline problem.
4. When a Participant does not show up for practices. Participants must have a valid excuse from the parent(s), guardian(s) or a physician.
5. When a Participant attempts to intimidate fellow participants by word and/or physical act.
6. When a Participant is actively a member of another football team or cheerleader squad while actively participating with an AYF team (For dual participation, some exceptions may apply).

B) When Dropping A Player IS NOT Acceptable:

1. Excessive team or individual conditioning drills designed to encourage weaker players to quit.
2. Disciplinary actions or assigning individual players' laps or intentionally placing player(s) in intimidating hitting drills for the purpose of encouraging weaker players to quit.

The aforementioned are not acceptable behavior and coaches who use these or any other tactics to drop weaker players should be immediately dismissed by their local organization, for the remainder of the season and a permanent suspension should be considered.

C) Dual Participation. Playing flag or touch football as part of the physical education requirement in the school curriculum is not counted as school team participation. While dual participation is prohibited as stated above, AYF recognizes that extenuating circumstances do exist in certain parts of the country with respect to

school football/cheer programs. Any organization may request a waiver by contacting the National Football Commissioner via email and making a written request (dee@americanyouthfootball.com). Players cannot be certified on two rosters ie: Jr Pee Wee and Pee Wee, which may result in players playing two games in one day – and this should not be allowed.

D) Participant Recruitment. Conferences are required to establish “Draw Areas” or “Boundaries” for its member Associations. Should an organization/team wish to accept the application of a participant (special participant) who is (1) outside of the Associations defined draw area, or (2) previously listed on a roster with another Association, it must provide full disclosure of these conditions to the Conference members they participate with and receive permission from the Conference in a manner to be determined by the Conference. Permission should only be granted on a limited basis when it is in the best interest of the participant and when it is determined that the participant has NOT been recruited. Conferences are required to create and enforce rules and regulations to prevent one Association from recruiting the players of another Association. Under no circumstances can a Conference allow any individual team to accept the application of more than 3 “Special Participants” without written permission from the National Office.

E) A and B Teams/Squads. Associations that have a large number of participants at a specific team level (Jr. Pee Wee, Pee Wee, etc.), may form multiple squads, hereinafter referred to as A and B squads. Associations may roster participants on either the A or B team as their Conference/Association Rules and Regulations allow. However, the association may not “stack” one team over the other by intentionally placing all of the most talented players on the A team in order to qualify for Tournament play. Remember you cannot cut players or put them on a waiting list with the sole intention to form a superior squad.

F) All-Star Teams. At no time during regular season or post-season play, shall a non-all-star division team be allowed to form by moving participants from existing certified rosters. All newly formed, stacked teams, considered an All-Star team will be considered “Cheating” and are subject to disciplinary actions.

At no time is a team allowed to form what a reasonably prudent person would consider an All-Star team based on the spirit of all the rules contained in the previous “Formation of Teams” paragraphs and be considered “Cheating” for purposes of determining disciplinary actions.

The formation of an “All-Star” Team is only permitted for Intra-Conference play. Conferences may establish an All-Star game (e.g., east vs. west) at the same Team level at the end of its regular season only. No Participant certified on a team that is still actively participating in post-season play is allowed to also participate on the All-Star Team.

Conferences may choose to name an All-Star team or All-Conference team as an honor without playing a game. AYF fully recognizes this honor.

All Star selections with or without game participation should require the highest of Academic Standards and should be reserved for the oldest players only.

AYF All - Conference All-Star and AYF National All-Star teams are excluded from this rule.

Details on the AYF Conference All-Stars and AYF National All-Stars can be found at the end of this Rulebook.

SECTION 9 - PLAYING SEASON / PRACTICE / CONDITIONING / TRAINING CAMP

“Children are the living messages we send to a time we will not see” – James Whitehead

A) Start Dates. The AYF playing season may start as early as the fourth Monday in July and extend until December 31 of the current year. Start and end dates of the playing season may be modified for teams playing in regions with severe weather conditions. Written permission by the AYF National Office is required before any such modifications may be made. A later start date may occur for any league.

No Conference shall commence team practice until the fourth Monday in July, with the first week being dedicated to Ten (10) Hours of conditioning ONLY, before full contact is allowed.

B) Conditioning/Training Camp

5. ALL Regional/National Football Coaches are required to complete the AYF Smarter Football Course for Coaches online. ALL Coaches must present proof of this course Completion at the Regional and National Tournaments. The course can be found on www.smarterfootball.org.

As in all AYF/AYC Rules, Conferences/Leagues and Association may enforce stricter rules on Concussion Courses and Clinics.

- i) Documentation that the coaching staff (each coach) has successfully passes the course/seminar/class or online course tests must be included in the team book.
- ii) Championships. Certificates must be kept in the Team Book for certification purposes. The Human Kinetics refresher courses will be required to comply with the AYF/AYC Eligibility Requirements.

iii) Conferences are required to enforce these "Staff Requirements" with its member Associations.

***Special Note: When attending the AYF National Championships there are a limited number of coaches and field personnel credentials given out. Make sure your staff is aware of this. See Section 23 Regional/National Championship Eligibility, Rules & Penalties.**

D) Practice/Game Restrictions. There shall be no "inter-team" practice or games between Teams/Divisions e.g., Pee Wee vs. Jr. Pee Wee, National Division teams vs. All-American Division teams, etc.; this does not prohibit individual fundamental coaching sessions as long as there is no full contact between players of differing teams/divisions.

The following Drills and Warm-up Exercises are hereby banned from all AYF activities. Leg Lifts, Neck Bridges, Neck Rolls, Bull in the Ring, Barrel Rolls, and any and all drills and exercises not generally accepted as safe and that may not be reflective of actions that would normally occur during the course of a football game.

The National Federation of State High School Associations (NFHS) and National Collegiate Athletic Association (NCAA) rulebooks contain strong language on blocking and tackling. AYF coaches are responsible to be fully informed and abide by all such rules of their state's governing body (NFHS or NCAA). AYF coaches are also responsible to review these rules every year. In addition to other specific prohibitions in the NFHS and NCAA rulebooks, butt blocking, chop blocking, face tackling or spearing techniques are strictly prohibited. If such techniques or any others forbidden by the NFHS or NCAA rulebooks are taught, the coaches responsible shall be subject to disciplinary action, including but not limited to probation upon the first offense and suspension for the remainder of the season upon the second offence. Associations are encouraged to establish their own rules regulations and monitoring of their coaches. Coaches assume all liability for their actions or inactions.

Equipment Note: Helmet visors are not allowed according to the NFHS rulebook, unless it is completely clear and glass-like. If a visor is slightly tinted and an Official can see the tint on his game data card the visor must be removed. There are no exceptions.

SECTION 10 - PLAYING SEASON / GAMES

"Compete! In the Classroom and on the Gridiron" -- Dee Grayer

A) Game Clock Details / Playing Requirements/Number of Players:

i) Only 10-minute quarters will be utilized in all Divisions/Class of play within AYF. Maximum half time allowed will be 15 minutes.

ii) Each team will have three (3) timeouts per half in all AYF games. Timeouts are not charged against a team for injuries or game officials' timeouts.

iii) A maximum of 14 regular season games including Conference championships are allowed.

It is required that each team must have the minimum number of 13 players eligible and able to participate to start a regulation or play-off game. It is required that each team must have the minimum number of 13 players eligible and able to participate to start a regulation or local play-off game. For the Regional championship game/state championship (qualifying game for berth at the National Championships) and first games of National Championship play, each team must have a minimum of 16 players eligible and able to participate. If the number of players falls below 11 players, the game will be forfeited.

****IF a team falls below 16 players due to injury only (injury must be proven with verified medical record) a waiver of the 16 player rule maybe granted at the discretion of the National Football Commissioner .**

iv) Football games are to be scheduled no more than one (1) game per week with a minimum of 48 hours (2 days) between games. The AYF National Office reserves the right to waive this rule when extenuating circumstances exist or to accommodate a championship tournament.

B) Coaching Communications. There will be no electronic devices from the press box, coaching box, sidelines or any other position on the field that may be used to relay messages to the coaches or players at any time. Electronic devices include, but are not limited to, the use of a cell phone, Blackberry, PDA, computers, tablets, iPads, smart phones or other messaging device. All Bluetooth earpiece devices are not allowed within the field of play. A coach using a cell phone for emergency purposes must step outside the coach's box, off the playing field. If it continues, the coach may be asked to leave the field for the remainder of the game. Further disciplinary action may be taken by the Conference

C) Medical Requirements. AYF requires the home team or hosting organization to provide medical coverage at each game. In the absence of a physician and or ambulance on site, the minimum requirement will be the presence of an individual who is a Certified Athletic Trainer, EMT-certified, or is currently certified in Red Cross Community First Aid and Safety or its equivalent. Therefore, no game shall start without proper medical assistance on hand.

Coaches MUST have all Emergency Medical Release Forms and Parent/Guardian Emergency Numbers in their possession at all times when team is practicing, traveling or playing in any game or competition.

Home team or hosting organization is required to introduce the emergency medical personnel to the visiting team and to review the emergency medical plan with the visiting team. The emergency medical plan shall include but not be limited to (1) ambulatory access to the field, (2) directions to the facility, (3) location of the emergency communication device, in the absence of a cell phone, and the emergency medical services numbers, as well as the local fire and police numbers.

Once an injured participant is removed from the game, they may not re-enter the game unless first approved by the highest medical authority covering the event that will make the final decision regarding injuries on the field and the ability for a player to return. If present, the licensed/certified athletic trainer will make the final medical decision unless a medical doctor is present and covering the activity".

In the case of a diagnosed or suspected concussion a player may not return to the game or next game without a written consent to return to play from a medical doctor. An AYF Doctors Resume Participation Consent Form can be found online on www.MyAyf.com

D) Sanctioned Football. The AYF Sanctioned football manufacturer is Wilson®. AYF strongly recommends using an AYF Wilson football (leather or composite) during the regular season games.

As the exclusive ball of the postseason, AYF requires the use of an AYF logoed Wilson football during all AYF-sanctioned tournament and postseason play. This includes regional tournaments and the AYF National Championships. A team can play with their own game ball ONLY if it is an AYF Wilson Football; if teams do not bring their own AYF Wilson Game Ball, one will provided at game time. The following is the recommended size breakdown per team level. To order official AYF Wilson Footballs – visit MyAyf.com

Division	Ball Size
Instructional	Wilson K2
Cadet	Wilson K2
Jr. PeeWee – PeeWee Jr. Midgets	Wilson TDJ Wilson TDY
10U	Wilson K2
11-12U	Wilson TDJ
13-14U	Wilson TDY
15U	Wilson TDS

“You can be a hard, but good loser. Any coach or team that cannot lose or treat opponents with respect has no right to win.” - Knute Rockne

E) Scoring, Tie Breakers, Lopsided Rule: Scoring is as follows.

Touchdown	6 points
Scoring play after touchdown (running or passing)	1 point
Scoring play after touchdown (kicking)	2 points
Safety (awarded to opponent)	2 points
Field goal	3 points
Forfeit	Score of game 6-0
Ties	Declared at the end of regulation

AYF will allow each Conference to set their own tie-breaker system if needed for regular season play. However, “Sudden Death” tie-breakers are prohibited. **AYF Inter-Conference, Regional and National Tournament/Championship Games will utilize the ten (10) yard Tie-Breaker System, as stated in the National Federation of State High School Association (NFHS) Rulebook. The NFHS Tie-Breaker rules amended to start from the 10-yard line.**

An intentionally run-up score is occurs when a team continues to pour it on even after the game is in their favor and far out of reach for their opponents. Coaches who practice this are to be disciplined by the local Conference/Association. AYF considers this type of coaching contrary to its purposes.

The AYF lopsided score rule is 35 Points or 5 touchdowns, whichever comes first. Once the score differential reaches 35 points or 5 touchdowns, the game clock will become a running clock and stay a running clock for the remainder of the contest and a win is automatically declared. Once the clock becomes a running clock it can only be stopped for injuries, official or team time outs. It will be the losing team’s preference as to whether they will receive a normal kickoff or they may choose to take the ball on their own 40-yard line. The winning team is prohibited from running any misdirection, counter, reverses or “trick plays” of any kind, or any play that has been consistently run with success during the game. Skill position starters must be replaced whenever possible. Conferences and Associations cannot limit the winning team to only running between the tackles. Mandatory plays must be completed regardless of the score or game clock. If the winning team does not complete their required mandatory plays, the full force of the mandatory play rules will be in effect.

Conferences are required to investigate/review all reported losses of more than 35 points or 5 touchdowns. Conferences are required to establish their own disciplinary actions for coaches that are determined to have intentionally run-up the score, in all cases an appeal process must be afforded to the coach, unless the coach has signed acceptance of an agreement prior to the start of the season indicated that the conference will not allow appeals of its disciplinary decisions.

F) Regional / National Tournament.

Special Warning Regarding Rumors:

No one should be allowed to participate in a Local, Regional or National event until all of his or her paperwork, grade and/or weight have been verified. Any allegations of cheating or violations of this rulebook or any local rule or regulation should be immediately reported, in writing, to either the Association and/or Conference president or their appointed representative for dealing with such issues. Associations and Conferences are required to fully investigate all claims and keep on file a written record of all investigations.

Once the allegations of cheating or rules violation have been reported in writing to the respective official, whether it be Association or Conference, there shall be NO further discussion until it is reviewed, investigated and acted on appropriately by the Association and/or Conference. The act of spreading rumors, which is general talk not based on fact, will not be tolerated in American Youth

Football. It not only hurts your credibility, but it affects your team and other teams that may become involved in the rumor.

Any allegation of Cheating or Violations of this Rulebook during post-season play should be reported in writing to the National Office for investigation. Given these facts, any Organization, individual or group of individuals (which includes any member of the organization) spreading rumors of cheating, special treatment or any other false information, whether causing an incident or not during a Regional or National event may be banned from participation in any future Regional or National events for a period of time deemed reasonable by the National Office.

SECTION 11 - PROTESTS

"Win without arrogance, lose without excuses." – Chris Corkum

Conferences shall have complete jurisdiction over protests concerning all games within their programs. Conferences may choose at their sole discretion whether protests of any kind are allowed. Conferences must maintain consistency with this discretion.

Protests on matters of judgment rendered by any game official WILL NOT be heard under any circumstances.

All protests must be in writing and submitted to the local Conference-designated person no later than 24 hours after termination of the game in question. Conferences have the responsibility of calling a hearing within 48 hours after receipt of the protest, or in the event of a holiday, the following non- holiday day.

*"You make a living by what you get,
but you make a life by what you give." - Winston Churchill*

SECTION 12 - PARTICIPANT REGISTRATION / ELIGIBILITY

*"Look for players with character and ability,
but remember, character comes first." – Joe Gibbs*

Note: Falsifying birth or any other documents to make a participant eligible is grounds for forfeiture of all games in which they have participated and permanent suspension of the adult(s) and or organization responsible for the act. All evidence will be turned over to the local authorities for any criminal prosecution that may be relevant.

A. Waiver/Release/Consent to Play: Parents or legal guardians are required to furnish to local Associations a written statement declaring their consent for their child to participate in local and any AYF activities and that they understand the risks involved. The written and signed statements must include a: Waiver/Release. Sample copies of these documents and Regional/National team book format Instructions can be found online at MyAyf.com. Teams, leagues and associations should consult with local legal counsel to determine if these sample forms meet their individual needs.

B. Emergency Information & Consent to Treat. This document must contain emergency medical information, emergency contacts and consent to treat in the event of a medical emergency. This form must be in the possession of the team at all times in the event an injury occurs.

C. Medical Clearance. All AYF participants must deliver to their local Association proof of a Medical Clearance before participating in AYF programs. This includes but is not limited to Preseason Practice. The Medical Clearance must attest to, or contain the statement:

"I, hereby my signature below, do certify that I am licensed by the state and am qualified in determining that: _____ (Child's Name:) is physically fit and I have found no medical or observable conditions which would contra-indicate him/her from participating in youth flag football, tackle football, cheer or dance athletic activities. I am, therefore, clearing this individual for athletic participation without limitation."

This document will be good for one year from the date it was signed. A sample copy of an acceptable document can be found online at MyAyf.com.

AYF/AYC highly recommends that each child that participates in an AYF/AYC program receive pre-concussion testing prior to the start of conditioning/training camp.

D. Age Certification. AYF requires that all participants present to their local Association an original record of their birth. AYF strongly recommends the use of state-issued DMV (Department of Motor Vehicles) ID cards, certified copy or a notarized photocopy of their original birth certificate or a copy of the birth certificate with a state-issued identification card that requires an original birth certificate (or equivalent) for issuance. These documents shall set forth the date and year of birth and can be a Certificate from the State, County or City Bureau of Vital Statistics, Department of Health, and the Department of Motor Vehicles, School Certificates or Record of Notification of Birth Registration by the Bureau of Census of the U.S. Department of Commerce. Passports, Military ID cards are also acceptable. These documents must be presented to the Conference officials for verification and is part of the mandatory player certification process.

NO HOSPITAL CERTIFICATES WILL BE ACCEPTED. The age certification date is specified under "Divisions."

E. Grade Verification. ALL divisions of play (National and All American) will require a copy of the current or previous season report card to verify the Participant's age/grade level in school. This documentation should be maintained along with all other required documentation in the team book.

F. Scholastic Eligibility. All participants must have received a passing grade average for the school year ending just prior to the beginning of the season (e.g., school year ending June 2017 for the Fall

2017 season) to be eligible for AYF participation. If verification of grades is necessary, or if passing grades are not achieved, Parent/Guardian/School administrator can make the final ruling regarding scholastic eligibility as to whether or not continued participation will benefit the participant. Each team will be required to submit an AYF Affidavit of Scholastic Eligibility to participate in Regional and National Tournament play.

G. Image Release. : Parents or legal guardians are required to furnish to American Youth Football, a release which allows for the use of still and video images of their child, which may be used by AYF for marketing, promotional and other commercial purposes. Sample copies of these documents and Regional/National team book format Instructions can be found online at MyAyf.com.

UNDER NO CIRCUMSTANCES WILL A CHILD BE ALLOWED TO PARTICIPATE IN ANY ACTIVITY UNTIL ALL PAPERWORK IS COLLECTED AND CERTIFIED.

SECTION 13 - ROSTERS

*"Whatever you think you can, or, think you can't
– you are right" – Henry Ford*

A. Associations must have all AYF Required Participant Paperwork collected, complete, and inspected for compliance by August 31. Conferences must certify that their Associations have met this requirement and have a system in place for paperwork and roster certification. A Certified Roster means that all of the participants listed on the roster have submitted the AYF Required Paperwork and that all paperwork is authentic and compliant with AYF Rules and Regulations and the participant fits the criteria established for the specific team level and division to which the Participant is certified including but not limited to the Participants Age/Weight and/or Grade. Conferences must maintain in their possession a copy of the final certified copy of all rosters. Players added to the roster after August 31 must be certified prior to participating in any game but no later than September 15.

B. The maximum number of participants allowed on a certified roster is 36. The minimum number of participants required to certify a roster is 16. (See minimum number of players required to play a regulation game Section 10 Playing Season/Games)

C. Under no circumstances shall a player be placed on two rosters/teams in the same Association, Conference, or any other youth football organization.

D. Conferences must receive all of their Associations rosters and certify all of their player documentation by September 15. Conferences must maintain in their possession a copy of the final certified copy of all rosters. Conferences must then submit all rosters to AYF National Office by October 1.

E. Conferences must submit a copy of the same rosters to the designated National Football Commissioner by October 1. It is requested that all Conferences submit rosters to the AYF National Office by entering them into the MyAyf.com system run by AYF Headquarters by the deadline of October 1, of the current playing season. Failure to submit rosters and certificates of insurance may result in the loss of certain services provided by AYF, including post-season and championship game eligibility.

G. Special Note regarding Conference (Local or Championship) Duties:

All Conferences must verify that their Associations or individual teams procure insurance (if not purchased by the Conference). Conference Staff must make sure that the Association/Teams' insurance coverage protects the children in Flag, Tackle, Cheer, Dance, and Step, all volunteers, the Association, the Conference and AYF. All Conferences/Associations/Teams must have and provide a Certificate of Insurance in the name of American Youth Football, Inc., see Section 7, for address.

IF FOR ANY REASON YOU WILL NOT MEET THE OCTOBER 1 DATE, YOU MAY REQUEST AN EXTENSION FROM THE NATIONAL OFFICE. ALL REQUESTS MUST BE MADE BY OCTOBER 1.

SECTION 14 - MANDATORY PLAY RULES

"To win without struggle is to triumph without glory." – George Allen

A. All AYF participants **MUST** play an active role in each game. Unless noted prior to the start of the game, by absence, by injury, or the participant fails to make weight.

B. All AYF participants **MUST** play an active role in a minimum number of plays as follows:

- 31 - 36 Players = 4 Plays
- 26 - 30 Players = 6 Plays
- 16 - 25 Players = 8 Plays

The number of plays required is determined by the numbers of players able to participate at the start of each game.

All Minimum plays must be “active” plays (punt and punt return are active plays from the line of scrimmage (LOS) and do count). All other special team plays do not count as MPR plays. All plays must be from the LOS. Any penalties resulting in the replay of the down, do not count as plays. Plays that result in a quarterback dropping to his knee with the sole purpose of “playing it safe” will not count as plays.

All participants must receive their minimum mandatory number of plays by the end of the 3rd quarter. Any participant that has not received their minimum plays by the end of the 3rd quarter must enter the game and remain in the game until they have received their required number of plays.

Designating a player as “Disciplined” at the Regional or National tournament will not be an acceptable means of meeting the Mandatory Play Requirement without the approval of the National Commissioner. No player may be designated as “Injured” as an acceptable means of meeting the Mandatory Play Requirement without the onsite trainer’s evaluation and designation.

SECTION 26 – CONFERENCE ALL-STAR DIVISION

This section details participation requirements related exclusively to the American Youth Football Conference All-Star Division, in connection with the AYF National Championships.

AMERICAN YOUTH FOOTBALL CONFERENCE ALL-STAR DIVISION

The Conference All-Star Division was created to allow the older participants, those leaving youth football, the opportunity to travel and experience participation with kids from other teams they may have competed against over the years of their involvement. It will allow some better understanding and friendships to develop and give coaches from different organizations the opportunity to work together to further the objective of providing and giving back to the youth of their communities. It should be understood that while the participation is in a championship format, it is the exposure and experience being offered to the kids that is the most important feature of this effort. Winning is the result of the contest the reward is the wisdom one will gain from this opportunity.

CHEERLEADING TEAMS ASSEMBLED IN ANY FORM ARE WELCOME TO COME AND CHEER FOR THEIR TEAM ON THE SIDELINE.

Conference All-Star Guidelines: 14U, 12U, & 10U DIVISIONS WILL BE OFFERED IN 2017

1. The AYF Conference All Star teams have two distinctly different division classifications.

They are as follows:

a. Conference All-Star – 14U (Unlimited Weight):

Eligible players would be any player that is in 8th Grade Only and competing in a National Tournament Conference on an AYF All American team or National Division team.

b. Conference All-Star – 12U (Unlimited Weight):

Eligible players would be any player that is 12 years old as of 7/31 and competing in a National Tournament Conference on an AYF All American or National Division team.

c. Conference All-Star – 10U (Unlimited Weight):

Eligible players would be any player that is 10 years old as of 7/31 and competing in a National Tournament Conference or an AYF All American or National Division team.

2. Participation commitment deadline is September 15. Commitments are to be made directly to the National Football Commissioner. Commitment means that each player's parent/guardian has committed and understands the financial, practice and travel obligations they are undertaking.

Associations must present a fully committed team of players and coaching staff prior to making your commitment to the National Office.

Please understand plans are being made based on your commitments - other organizations are making plans or staying home based on your commitment.

3. A determination will be made by November 1st as to the status of this Tournament Bracket.

4. You must declare, and receive approval for your uniform shirt color upon declaring your commitment to participate. Jersey colors will be accepted on a first come first serve basis with prior year's participation having priority. If your team provides players with a home and away jersey, any shirt color of your choice will be accepted.

5. Conference All-Star teams will be required to pay the tournament registration fee upon commitment and acceptance into the National Tournament. This fee is non-refundable and therefore forfeited should a team back out of the tournament. In addition, any Conference that commits to sending a team to the National Tournament and does not compete will be suspended from participation for 1 year. Repeated offenses will result in longer suspensions. If less than four teams commit or legitimately qualify for participation, all games will be played as bowl games.

6. Conference All-Star teams must be made up from kids who participated on/represent at least four different associations within the Conference. No single Association can dominate in participation. You must have a system in place to establish a team with enough kids so that if a team of nominated kids were to make it into the AYF National Tournament you would still have a team and coaching staff.

7. Conferences will develop their own system for nominating and selecting coaches and players, utilizing the minimum guidelines set forth below. The coaches and players will be those not involved in post-season tournament play.

Coach Selection:

1. Conferences must develop their own system for All-Star Coaching nomination and selection. You may want to consider developing a certificate you can use to award the coaches nominated/selected as a souvenir and recognition for their contributions to your organization.

2. All Star Coach Nominees should be coaches who have a positive history with the organization.

3. All Star Coach Nominees must be coaches who have demonstrated not only the competence one would expect from a football coach but one who demonstrates the understanding that while every game is played to win, the point of this all-star event goes past the winning and losing, it is a great opportunity for the kids to experience lessons in life that will go way beyond the win or loss of the game. Therefore, the coach must have an "It's For The Kids" attitude and demonstrate the highest of moral integrity and character as described in the National Rulebook under Section 17 Coaches; therefore, coaches who use foul language with or in front of the kids should be deemed unacceptable for appointment. Coaches must also understand that while this is a championship bracket, we will adjust where necessary to give each kid the best experience we can and help the Conference All-Star program grow. We will make every effort to include all involved with any adjustments made. Any deviation from the requirements outlined in this document may result in the team being eliminated from participation or required to participate in a bowl game basis only. In other words, a team would forfeit all its games but be allowed to play with everyone's understanding.

Player Selection:

1. Conferences must develop their own system for All-Star player nomination and selection. You may want to consider developing a certificate you can use to award the players nominated and or selected as a souvenir and recognition for their contributions to your organization.

2. Conference selections must be done to ensure an even number of lineman and skill type players are ultimately selected to make up the team. With this in mind, conferences are advised to request nominations from each of their member associations.

3. The player selection process must include a scholastic component. This means that the process should encourage academic achievement.

4. The team must be comprised of kids from at least four different associations; no single association can dominate in participation.
5. Only players who, by the September 15 deadline, were certified, listed on the final roster and actively participated with their team during the entire regular season are eligible.
6. Players cannot play on both the conference all-star team and teams who are participating in postseason play. Therefore, you must select enough players so that you will have a team with or without the players still in post-season play. The timing of the selection and formation of the team must be determined by the Conference, understanding that you will not be allowed to start practice sooner than the first Monday in November, no more than three practices per week, no more than three hours in duration with a mandatory 15-minute break ("Mandatory Break") after each hour of practice is required. Mandatory Breaks are not counted against the hours per week or the maximum hours per day.
7. Player nomination and selection should not only take into account a player physical abilities but should consider their contributions and adherence to the five core values attributed to the term "Athlete."

Each All Star athlete should subscribe to the AYF "Circle of Giving Back" philosophy.

Conference Requirements.

1. Conferences must certify that each player nominated and selected is properly listed on the final roster and certified (submitted all of the required documentation) to their respective team by the September 15 deadline.
2. Along with each player's documentation, Conferences are required to provide a photocopy of the roster that was submitted on the October 1 deadline for the team they are certified to. One roster for each player even if two or more players are from the same team.
3. Conferences must insure that each player actively participated with their team for the entire season.
4. Conferences are required to ensure that all coaches have received a background check and have been cleared by the Association they are affiliated with for their regular season participation. In addition to this requirement, the Conference must review the Association's background check documentation and complete its' own review and approval process.
5. The Conference is to complete a roster for this new All-Star team via the documentation provided by the National Office.
6. The Conference is required to guard that the practice rules are adhered to, they are as follows: Practice may not start sooner than the first Monday in November, no more than 10 hours of practice per week, no more than three hours in duration with a mandatory 15-minute break ("Mandatory Break") after each hour of practice is required. Mandatory breaks are not counted against the hours per week or the maximum hours per day.

Note: Falsifying birth or any other documents to make a participant eligible is grounds for permanent suspension of the adult(s) and/or organization responsible for the act and all evidence will be turned over to the local authorities for any criminal prosecution that may be relevant.

SECTION 27 – AMERICAN YOUTH FOOTBALL NATIONAL ALL-STAR GAME

This section details participation requirements related exclusively to the American Youth Football National All-Star Game.

Football & Cheer. The annual AYF National All-Star Game was established to allow the older participants, those leaving youth football/cheer, the opportunity to travel and experience participation with kids from other teams they may have competed against over the years of their involvement. It will allow some better understanding and friendships to develop and require coaches from different organizations the opportunity to work together to further the objective of providing and giving back to the youth of their communities. It should be understood that while the participation is a competition for the football players, it is the exposure and experience being offered to the kids that is the most important feature of this effort. Winning is the result of the contest and the reward is the wisdom one will gain from this opportunity.

The annual AYF National All-Star Football teams will be made up of the oldest participants 8TH Grade or below. There will be no weight restriction for these players.

The annual AYF National All-Star Cheer teams will be made up of the oldest participants 15 and under.

Any player/cheerleader may be nominated post- season competition or not. Nominations must be made by November 1. Nominations must be made directly to the National Commissioner.

AYF ALL-STAR NOMINATION GUIDELINES:

Coaching & Administrator Nominations:

1. Conferences must develop their own system for AYF All-Star Coaching & Administrator nominations and submit directly to the National Commissioner.
2. Nominations must be made by November 1 and/or selections will be made at the discretion of the AYF National Office.

4. AYF All Star Administrator Nominees should be Administrators who have a positive history with the organization.
5. AYF All Star Coach Nominees must be coaches who have demonstrated not only the competence one would expect from a football/cheer coach but one who demonstrates the understanding that while every game is played to win, the point of this all-star event goes past the winning and losing, it is a great opportunity for the kids to experience lessons in life that will go way beyond the win or loss of the game. Therefore, the coach must have an "It's for the Kids" attitude and demonstrate the highest of moral integrity and character as described in the National Rulebook.
6. Coaching selection/appointments are at the complete discretion of the National Office. Whenever possible Head Coaches will be selected from the previous seasons Assistant Coaches. Head Coaches can and may be re-appointed more than once.
7. Administrator nominations, follow all guidelines above, should be reserved for Administrators who understand the difficulty in organizing all of the required paperwork, and should be administrators deserving of prominent recognition.

6. Cheer - A maximum of 3 cheerleaders can be nominated from each conference; nominations do not guarantee any of the cheerleaders will ultimately be selected. Dependent upon regional participation and total nominations only 6 to 8 cheerleaders will be selected per region.
